With SwiftCash, you have access to a range of remote banking facilities that enable you to manage your accounts from anywhere, at any time. Our user-friendly interface allows for easy navigation, ensuring you can quickly access your accounts and view your financial status at a glance. In addition, the app offers easy access to your funds, allowing you to transfer money between accounts and pay bills effortlessly.

Stock Market

The first step in investing in the Sri Lankan Stock Market is to open a brokerage account with a broker or financial institution that is registered with the Colombo Stock Exchange (CSE). You can open an account online or in person with a broker.

Exchange Rate

The average buying and selling Telegraphic Transfers (TT) exchange rates are calculated based on the quotes provided at 9.30 AM on daily basis for Telegraphic Transfers (TT) for nine designated foreign currencies by the selected Licensed Banks.

Savings

Minimum balance of Rs. 10,000/- need to be maintained for a continuous period of one year immediately preceding such birth. This can also be utilized at POS machines as a debit/ shopping card.

Business Accounts

SwiftCash Current Account comes with a range of benefits to manage your finances for the smooth operation of your business. You could operate your current account around the clock from anywhere and at anytime of the day through the SwiftCash internet banking and mobile banking facility.

For those looking to open accounts or fixed deposits, SwiftCash provides a simple and seamless process that can be completed entirely through the app. You can choose from a range of account options to find the one that best suits your needs, and with just a few clicks, you'll be up and running.
